

GHAZ Covid-19 Response Guidelines

Revised 8.07.20

Positive Covid-19 Test

Isolation Guidelines:

Return to school contingent upon completion of **all 3**:

1. **24 hrs** fever-free w/o fever reducing meds
2. Improvement in respiratory symptoms
3. **10 days** have passed since first symptoms started if symptoms are mild to moderate or 10 days from positive test if subject is asymptomatic
4. **20 days** have passed if symptoms are severe to critical or patient is severely immunocompromised

Actions:

1. Campus Response Team will notify Maricopa County Public Health Department, and Executive Director. HR will also be notified if subject is an employee
2. Executive Director will assemble the GH COVID Response Team
3. Close off and disinfect all non-porous surfaces asap
4. Determine where the student or employee has been and whom they have had close contact with for the past 72 hours. Close contact is defined as within 6 ft for more than 10 minutes.
5. Communicate directly to all adults/students who have come into "close contact" with the subject and quarantine for 14 days.
6. Communicate in a manner consistent with other infectious disease notifications and legal confidentiality requirements to:
 - a. All Faculty members if subject is a faculty member
 - b. Families in the same section as the student/teacher
 - c. All teachers of the student if the subject is a student
7. Ask the parent if they would like the student to engage in GHDL (may return before quarter)
8. If Teacher/staff – determine coverage
9. School Closure, section or grade level quarantines will be determined by the GH Response Team with advisement from the Maricopa County Department of Health

GHAZ Covid-19 Response Guidelines

Revised 8.07.20

Student, Teacher, or Staff Member exhibits Covid-19 symptoms

(Not part of a pre-existing condition such as asthma or known allergies)

Symptoms:

- Cough
- Shortness of breath or difficulty breathing
- Fever
- Chills
- Repeated shaking with chills
- Muscle pain or body aches
- Headache
- Sore Throat
- New loss of taste or smell
- Nausea or Vomiting
- Diarrhea
- Fatigue
- Congestion or runny nose

Isolation Guidelines

1. Stay home and away from others until **3 days (72 hours)** have passed since your **fever (including chills, shakes, and body/muscle aches) has gone away** without the use of fever-reducing medications **AND** your **respiratory symptoms (cough, shortness of breath, difficulty breathing, sore throat, congestion or running nose, and loss of taste/smell) have improved.**
2. If tested for COVID-19 stay home until results of test have been received. If positive see guidelines for Positive COVID-19. If seen by a doctor and doctor suspects COVID-19 see guidelines for Positive COVID-19. If negative see first guideline above.

Actions:

1. School nurse will determine if symptoms are part of a pre-existing condition such as asthma or allergies. If not, continue to step 2.
2. Symptomatic individual is immediately sent home
3. Disinfect areas that the student/teacher has been in contact with
4. Notify HR (for teacher and staff members) and Executive Director. GH Response Team is not notified.
5. Communicate to all those who teach the student if subject is a student.
6. Ask parent if they would like the student to engage in GHDL (may return before quarter)
7. If teacher, determine coverage

GHAZ Covid-19 Response Guidelines

Revised 8.07.20

Close Contact with Someone Who Tested Positive for Covid-19

Close contact is defined as being within 6 ft for 10 minutes or more or living in the same household.

Isolation Guidelines:

1. Exposed individual is quarantined off campus for 14 days from last day of contact as long as they don't have symptoms.
2. If mild to moderate symptoms develop return 10 days after first symptoms appeared and 24 hours of being fever free without medication, and 20 days if symptoms are severe to critical or patient is severely immunocompromised

Actions:

1. If subject is an employee, notify HR and ED
2. Send student or employee home at ask them to check their temperature twice a day and to watch for symptoms to develop. Remind them to stay away from people who are at a higher risk.
3. Ask the parent if they would like the student to engage in GHDL (may return before quarter)
4. If Teacher/staff – determine coverage

Visitor to campus later tests Positive

Isolation Guidelines:

None

Actions:

1. Contact the GH Covid Response Team and the Maricopa Health Department
2. Determine if the visitor had close contact with anyone on campus.
3. Notify those who had close contact with the visitor and require them to quarantine according to directions from the Maricopa Health Department

Student/teacher reports 2nd degree exposure

(close contact with someone who had close contact with someone who has tested positive)

Isolation Guidelines:

None

Actions:

No response is required.

GHAZ Covid-19 Response Guidelines

Revised 8.07.20

International Travel

Isolation Guidelines:

1. Stay home for 14 days after you return home from international travel
2. Take your temperature with a thermometer two times a day and monitor for fever. Also watch for cough or trouble breathing.
3. Stay home and avoid contact with others. Do not go to work or school.
4. Do not take public transportation, taxis, or ride-shares.

Keep your distance from others (about 6 feet or 2 meters)

Actions:

Ask employees and students who have travelled internationally to self-quarantine.

More than 1 positive case appears in a single section

Isolation Guidelines:

Determined after discussion with Maricopa County Health Department

Actions:

GH Covid Reponse Team will work with the Maricopa Health Department to monitor and determine if additional measures, such as quarantining the section, are needed.
