

Medical Information and Consent to Dispense Medications - SY 2022/2023

Student's Name (Please Print):	Birthdate:
Known Allergies:	
List All Medical Concerns:	

<u>Parent Provided Over-the-Counter Medications</u> – These are to be furnished by the parent, in the original container with the student's name and dosage instructions provided. Medications to be administered more than 10 days must have a physician's order. Medications not picked up within 10 days will be disposed of in accordance with federal guidelines. Expired medication or medications without proper dosage instructions will not be administered to students. Please note we do require that you include the Medication Expiration Date.

Date	Name of Medication	Route (by mouth, etc.)	Dosage	Time	Indication for treatment	Medication Expiration Date	Possible Side Effects	Parent/Guardian Initials

<u>Parent Provided Prescription Medications</u> – <u>All</u> medications must be furnished by the parent in the original container with affixed prescription label. No more than a 30 days' supply of medication should be brought to the health office. All controlled substances should be brought into the health office by a Parent/guardian. Please note we do require that you include the Medication Expiration Date.

Date	Name of Medication	Route (by mouth, etc.)	Dosage	Time	Indication for treatment	Medication Expiration Date	Possible Side Effects	Parent/Guardian Initials

Special Requirements (example: take with food): _

I hereby authorize any hospital/doctor/EMS personnel to render immediate aid as might be required at the time for his/her health and safety. It is understood by me that the expense of this service will be accepted by me.

By signing below, I give my consent for the school nurse or other designated school staff to dispense the medication(s) noted above to my child. I acknowledge that Great Hearts personnel are not responsible for any ill effects which may occur. Note: The very first dose of this medication for current condition/illness may not be given at school.

Signature of Parent/Guardian: _

_ Date: __

Recent changes to the Consent to Administer Medication document allows school staff to administer certain prescription medications to minors without parental authorization in the case of a medical emergency. These medications are: 1 Epinephrine auto-injectors, 2. Inhalers 3. Naloxone hydrochloride or any other opioid antagonist drug that are approved by the FDA.
