### SARRC Project

This year, Great Hearts Anthem Prep and Archway will be working with the Southwest Autism Research & Resource Center (SARRC) on a project regarding a universal screening for social challenges for public schools. The idea is that screening children for social challenges early and identifying and addressing those challenges will have a significant positive effect on their school experience. We plan to take a role in the research that SARRC is doing in this area this year. Some frequently asked questions about this project are [addressed here](#). If you have any other questions about this project, please reach out to Thomas Doebler, National Director of Exceptional Student Services at [tdoebler@greatheartsamerica.org](mailto:tdoebler@greatheartsamerica.org).

This \$10 contribution per student helps the school to provide supplies in the lunchroom that are available to ALL students, whether they purchase a hot lunch or bring their own lunch from home. These supplies include plates, plastic cutlery, and napkins. **More importantly, it allows the school to provide instant lunch items like mac and cheese and cup o noodles to students who forgot their lunch.**

## Volunteering for the 2023-2024 School Year

If you would like to volunteer on campus or chaperone field trips for the 23/24 school year, you MUST register online by clicking [here](#) to fill out and complete the volunteer application. The cost is \$5.00. The enrollment is good from July 1, 2023, through June 2024. Each July, you will need to re register for the following school year if you would like to volunteer.

Once completed, the Raptor system will respond within 48 hours to let you know if you are cleared to volunteer. All volunteers must be approved through this process, no exceptions. Please note, when selecting our school, it will not separate from Archway and Prep; it will clear you for both schools. You may choose multiple campus if that applies to your family.
