Great Hearts Anthem 9/11 Morning Announcement

In keeping with the State-required law HB2325, this announcement will be read to all Great Hearts Anthem students on Friday, September 9th, in remembrance of 9/11.

Today, we remember an important day in the history of America. Many years ago, four stolen airplanes crashed on the same day in our country. Many people lost their lives. But the American people were strong. Many firefighters and police officers rushed to help. They were real heroes. Other families took in stranded travelers and cared for them. Today, there are many security measures in place to make sure that nothing like this ever happens again, and to keep Americans safe.

One way that we remember what happened on Sept. 11 is by thinking about how the American people came together to help each other, and by being kind to others and helping other people. We want to encourage you to talk to your parents about this, tonight, and to think about ways you can help others. If you want to know more about what happened on September 11, 2001, please talk to your parents. They will have the best answers.

Please speak with your child/children in whatever way you feel is appropriate. Some children may be sensitive and young, so we are asking that children share their thoughts and concerns with their parents and not with each other. Here are some links to resources for parents about this content that you can use to talk to your children about events like this:

SARRC Project

This year, Great Hearts Anthem Prep and Archway will be working with the Southwest Autism Research & Resource Center (SARRC) on a project regarding a universal screening for social challenges for public schools. The idea is that screening children for social challenges early and identifying and addressing those challenges will have a significant positive effect on their school experience. We plan to take a role in the research that SARRC is doing in this area this year. Some frequently asked questions about this project are [addressed here](#). If you have any other questions about this project, please reach out to Thomas Doeblner, National Director of Exceptional Student Services at tdoeblner@greatheartssamerica.org.

Volunteering for the 2023-2024 School Year

If you would like to volunteer on campus or chaperone field trips for the 23/24 school year, you MUST register online by clicking [here](#) to fill out and complete the volunteer application. The cost is \$5.00. The enrollment is good from July 1, 2023, through June 2024. Each July, you will need to re register for the following school year if you would like to volunteer.

Once completed, the Raptor system will respond within 48 hours to let you know if you are cleared to volunteer. All volunteers must be approved through this process, no exceptions. Please note, when selecting our school, it will not separate from Archway and Prep; it will clear you for both schools. You may choose multiple campus if that applies to your family.
