

## **All Parent Meeting | November 14<sup>th</sup> at 8:15 am**

### **1. Welcome Parents!**

- Thank you to all parents who were able to attend the PSO meeting.

### **2. PSO Budget**

- Athletic Support- Any athletic expense will now be covered by PAAC. If a parent wishes to contribute, they'll be directed to communicate to Tamara Clark. PSO had an itemized budget for Athletic banquet of \$2,694. \$94 was already provided. \$2,600 will be given to PAAC on a PEX card. They'll use these funds at their own discretion and that item will no longer be a budgeted item for PSO.
- PSO year ending budget- PSO keeps a portion, and the remainder goes back to the school. This is at the discretion of the school.
- Box Tops, Frys, Amazon Smiles- Last year these savings from families enrolling our school was a profit of \$11,500. Amazon Smiles is no longer available. Kim Turner will help with implementing the Box Tops program at the school. Box Top are no longer cut out, instead store receipts are now scanned into an app on your phone. An idea was discussed for students to bring in their receipts to school for collection. Frys account is being overseen by another board member.
- PSO restaurant nights and sock and shoe days- Idea for PSO to share with families to celebrate the amount raised on social media and newsletters. PSO to create a did you know post to let families know the many ways their money supports the PSO.
- Gala- Funds from the gala are dispersed based off student population. The funds are then given to the headmasters. The bonus is a performance based for teachers and teacher assistants.
- Other ways to support the PSO and ideas for the year are:
  - Talent show, spring fling, movie night, fall festival
